Tourney Format:

We will be running an individual draw tourney in which each position can earn points for their team. Each position will play two matches. The draw will determine the first round opponents. No school will play the same opponent more than twice in the first round. No team will play each other more than once in singles in the first round. Winners of the first round matches will meet to determine first and second place. First round losers will meet to determine third and fourth place.

First place earns 4 team points

Second place earns 3 team points

Third place earns 2 team points

Fourth place earns 1 team point

Teams: Evansville Harrison, Evansville Mater Dei, South Knox, and Sullivan

A super tiebreaker will be played for the third set (10 point tiebreaker).

A team trophy will be awarded to the 1st place team and medals will be awarded to individual champions.

If there is a tie, the first tiebreaker will be the team with the most champions. The second tiebreaker will be the fewest games lost.

Coaches cannot rearrange their lineups throughout the tourney.

Please check with your athletic director about bringing the \$30 entry fee. Checks payable to "South Knox Athletics." You do not need to bring tennis balls.

The tournament will be played at South Knox Middle-High School.
