Dear Coach:

Washington is hosting a tournament among the following teams: Bloomfield, Ev. Christian, South Knox, & Washington on **Saturday, September 12th, 2026**, at the Washington High School Tennis Courts located at Washington Intermediate School. Use the following address: 801 N.W. 11th Street, Washington, IN 47501

We will be running a team-on-team tourney this year. We have 12 tennis courts available for this tournament. We will use a super tiebreaker in the event of split sets at all positions. Here is the draw.

Round 1 matchups: Sports Complex Site - Evansville Christian vs. Bloomfield
Intermediate School Site - South Knox vs. Washington

Round 2 (final) matchups: Championship @Intermediate Site and Consolation @Sports Complex Site

Each site will be set up for match play using 6 courts with balls provided. Each coach is responsible for their own team and spectators regarding proper procedures and court conduct. Team introductions and rules will be conducted at each site between the coaches of the participating teams.

Play will begin at 9:30 a.m. EST. Please bring a lineup card for each coach.

The tournament entry fee is \$50.00 to cover costs.

I encourage each team to bring a few junior varsity players, as we will have one open court at each site. I suggest using an eight-game pro-set for the junior varsity matches.

A trophy will be given to the school that wins the championship match.
